Press Release

The Standard Bearer, Vice Standard Bearer, National Chairman, Members of Executive Committee and the Partisans of the Unity Party have received with great shock and distress the news of a major earth quake that occurred in Sichuan, the Peoples Republic of China.

The Party extends deepest sympathy to the President and Secretary General of the Peoples Republic of China Hu Jin Tao, the people and government and entire bereaved families for the death of over Ten thousand (10,000) Chinese.

Unity Party is saddened by this tragedy and which to assure the Chinese people of our sympathy as we share the grief with you. We pray that the souls of the dead will rest in peace and that the Chinese will find the strength to ensure a speedy recovery.

Signed: 
Dr. Charles A. Clarke
National Chairman
